PREPARED BY

XR Guild
Your name, organiser

VALID UNTIL

30 September 2026

What XR Guild is

XR Guild runs free, in-person demo nights for people who are curious about extended reality. Enthusiasts, educators, and complete beginners come to try headsets and show each other what they have been building. There is no membership and no ticket price.

Events are held in bars and clubs. Venues host us at no charge because a demo night fills a quiet weeknight with paying customers.

What we are proposing

Sponsorship of one demo night on 18 September 2026, expected attendance 80–100.

DELIVERABLE	WHAT IT MEANS IN PRACTICE	WHEN
Named sponsor	Your name and logo on the event page, the cover graphic, and printed signage at the door. Named aloud in the welcome.	At announcement
Demo station	A dedicated table with power and a volunteer host, so your hardware or software is in people's hands all evening.	Event night
Recap	Photo set plus a written recap published to LinkedIn, tagging your organisation.	Within 5 days
Headcount	Honest attendance number and a short note on what people responded to. No inflated figures.	Within 5 days

What we are not offering

So the scope is unambiguous: no attendee contact list, no email addresses, and no endorsement of a product by XR Guild or by any individual member. Attendees are guests, not leads. We will happily introduce you to anyone who asks to be introduced.

Investment

PACKAGE	AMOUNT
Single demo night — everything listed on page one	\$1,000.00
Season of three — three consecutive events, invoiced per event	\$2,550.00

Terms. Invoiced after each event, net 30. If an event is cancelled, the fee is carried to the next date or refunded in full — your choice. Either party may end a multi-event agreement in writing before the next scheduled date at no cost.
